"CJ Golden's passion and articulateness are evident in each segment of her delivery. Her message is both timely and all too often taken for granted."

Rabbi Scott B. Saulson, Temple Shalom

Reflections From Beyond is the true story of Tracy LaCroix who CJ Golden met in Cape Charles, VA on May 3, 2013. Tracy, however, had died on June 5, 2012 – eleven months before their serendipitous encounter.

Reflections From Beyond is a stirring account of a medical team that worked against all hope to restart a flat-lined heart; the patient who came back from the doors of Heaven, following his near death experience, and a stunning example of the way in which the Universe conspires to send us messages that we should not and cannot ignore.
