Dear Friend,

We are in the process of preparing our annual Yizkor Book of Remembrance for the High Holy Days. This booklet is created every year to honor our loved ones who have passed away. This year we will mail hard copies of the memorial booklet to anyone who requests one (see below).

If you would like to include the names of your loved ones in the memorial book, please provide them below (limit your list to immediate family). Note that names are not automatically entered or carried over from the previous year unless indicated below. Complete the lower portion of this letter and return it to the Temple office by **Friday, September 4**, or visit our website at www.cbibpt.org to complete the form online when it is available. Donations to help defray the cost of our memorial booklet are most welcome and have become a tradition. May the memories of all our loved ones be for a blessing.

Sincerely,

Rabbi Evan Schultz
Rabbi Sarah Marion
Cantor Scott Harris
